About This Game

Grid Games: Color Coded is a progressive puzzle solving game where you have to match the tiles with the colors from the illustration shown in the level. The colors are arranged in an order of sequence making it a fun and strategic challenge to navigate your mouse across each of the tiles.

This game offers **130 levels** and a *Quick Puzzle* feature that will offer **thousands more**.

Grid Games: Color Coded is the first game in the Grid Games series.

COLOR CODED

The interface features a 3x3 grid puzzle on a dark background. The grid cells are colored as follows:

Orange	Red	Red
Green (with a small triangle icon)	Red	Blue
Red	Purple	Red

To the right of the grid is a 'Quick Level Goal' section with a 3x3 grid of colored squares:

Blue	Red	Red
Green	Red	Blue
Red	Purple	Red

Below the goal grid is a 'Color Order' section with a horizontal row of six colored squares: Red, Orange, Yellow, Green, Blue, and Purple.

A blue button labeled 'Back' is located at the bottom of the right-hand panel.
